

LA CONSERVATION CORPS

May 7, 2010

Congratulations to our Board Member **John Van de Kamp, Esq.** for being awarded the **Griffin Bell Community Service Award** by the LA County Bar Association. Thank you for all your good work; you inspire us all!

*Mr. Van de Kamp speaking at the 2010 Annual Luncheon*

### Young Adult Corps

This week,

- 14 corpsmembers hit the streets to promote the upcoming US Census 2010 deadline. Crews passed out fliers and talked to hundreds of people of the upcoming deadline. The Corps encourages everyone in the community to participate in the Census so that future funds and resources are allocated properly based on population and needs.
- Cal Releaf crews continues its enrichment courses with a Saturday workshop at the East LA Center. This workshop is intended to introduce Cal Releaf corpsmembers to plant biology and community gardening. Cal Releaf not only introduces our corpsmembers to the concept of urban gardening, but also teaches them how to develop these ideas into practical applications for the work force.
